PPE Visitors on site must adhere to our PPE requirements. It is compulsory that safety glasses are worn at all times whilst within the production areas. When in the production area's please keep to the marked aisles unless you are wearing safety shoes.

PPE Contractors on site must adhere to our PPE requirements. It is compulsory that safety glasses and safety shoes are worn at all times whilst within the production areas.

Fire evacuation procedure – On hearing the fire alarm, please vacate the building at the nearest exit and report to;
Contractors - The hard standing to the rear of the gatehouse.

Visitors – The fire assembly point in the front car park opposite reception.

International Traffic in Arms Regulations (ITAR) is a United States regulatory regime to restrict and control the export of defense and military related technologies to safeguard U.S. national security. As C W Fletcher complies with the ITAR any classified information, technical data or defence article (defined by its inclusion on the U.S. Munitions List), is subject to export control under the ITAR.

In order to further enforce these regulations, photographic, scanning or copying equipment (e.g. mobile devices) are restricted and therefore will be placed in a tamper proof bag and will not be allowed in the production areas. If you are going to require access to any electronic device whilst in production areas due to the nature of your visit you will need to ensure details are included in your permit to work and that this is signed off by a member of CW Fletcher staff.

Please be advised that upon signing into CW Fletcher you will be asked to confirm your country of birth and nationality and provide photographic identification (in the form of a drivers licence or passport) in line with these regulations. If you are unwilling or unable to provide evidence of these or if your nationality/country of birth does not feature on the list provided then please be aware that this may restrict your access to certain areas of site.

Due to data protection laws, please do not email or send a scanned version of your passport or driving license in advance of your visit, but ensure you bring it with you as evidence on the day of your visit.

Mobile Phones

Please be aware that access to your mobile phone will be restricted whilst on site.

Contractors – Please leave your phone in the gatehouse on signing into CW Fletcher – should you need your mobile phone to complete work on CW Fletcher site then special measures will be taken to allow this. Mobile phones will not be allowed to be left in your vehicle.

Visitors – Please leave your phone with our receptionist or in your vehicle (so long as it is parked in a visitors bay in the car park at the front of our main office building). Should you need your mobile phone to complete work on CW Fletcher site then special measures will be taken to allow this.

Non-Disclosure Statement

In relation to any ITAR controlled data; by signing this agreement you confirm that any data shared with you on your visit or that you may accidentally come across shall;

- a. not be further disclosed, re-exported, or transferred in any way to any persons that is not an employee of CW Fletcher & Sons Ltd.
- b. only be used in such a capacity as is necessary to carry out your duties in relations to work at CW Fletcher & Sons Ltd.

By signing below you agree that you will comply with the regulations outlined in this document, if you do not comply you will be held personally liable for any damage, physical or otherwise to CW Fletcher & Sons Ltd.

Please print, sign and date below to acknowledge that you have read and understood the above statements and email to exportcontrol@cwfletcher.co.uk, alternatively hand this sheet into reception on your visit.
